Mr. Charles D. Ellis, Chairman
Station WYBC
Box 242-A, Yale Station
New Haven, Connecticut

Dear Mr. Ellis:

It was a pleasure to receive your letter of the 6th and to know of Station WYBC's interest in becoming a member of IBS. Due to a trip for the Naval Research Laboratory and the pressure of activities here, I have not been able to write to you sooner.

As one of the early members and active supporters of the System, Station WYBC will again be most welcome as part of the System. We believe that such membership will be mutually profitable.

As you requested, I am enclosing some materials relative to IBS. Bill Malone of Harvard has indicated that you are planning an FM station similar to WHRB-FM. I have mentioned this to Charles Quigley of our FM Division. If he can be of help to you in this regard, do not hesitate to contact him.

Last fall Jim Crankshaw called me about the FCC docket on campus radio. In this connection the enclosed copy of a letter to the Commission may be of interest, together with the reply prepared by Mr. Dietz.

If you have any further questions or desire additional materials, please let us know. We look forward to being of further service to you.

Sincerely yours,

George Abraham
